

# Leader Aids

## GO Group Definitions:

**GO Group** – is an acronym, the “G” stands for “God” and the “O stands” for “Others”. It is a group where you will be encouraged to connect with God and Others.

**Coach** – has completed the Coach application and been approved by WHC pastoral staff to mentor and shepherd GO Group leaders; attends monthly Coaches meetings conducted by GO Group Ministry Director, Sam Barber. Coaches will monitor the groups to ensure the groups are meeting the objectives; support and encourage the leaders; and serve as a resource for the leaders.

**Leader** – has completed a Leader application and been approved by WHC pastoral staff to lead and facilitate a group. The leader is the “point person” for the group and is responsible for facilitating the group process, promoting spiritual growth and caring for each other, and is accountable for the group. The leader is not expected to be a Bible “expert”, rather is expected to help the group in growing spiritually

**Host** – a person with a heart to serve that is willing to open their home to a group of people and possible serve light refreshments. The host can also be the leader, if the leader qualifications have been met.

## Contact Numbers:
