The Heights Community is pleased to offer the
above resources to assist you and your family.

However, these services are simply
recommendations and we are not responsible for
their actions or services.

**For a list of more community resources please
go to www.211.org or dial 211.**

The purpose of the CARE Team
is to ensure that all those within
The Heights Community are
supported in the event of a
physical, financial, emotional, or
spiritual crisis in their life.

Since the pastoral staff of
The Heights Community are not
able to reach every person
needing care on a regular basis,
the CARE Team in conjunction
with GO Groups and community
resources, expands the number
and quality of care providers and
in turn,
care recipients.

If you are interested in helping
care for others, please contact The
Heights Community.
