getting started

Do you have pre-conceived ideas about "church"? Join us for "Getting Started" and learn everything about The Heights Community. Next class starts TODAY. Registration required and available online, at the Registration Kiosk in The Hub, or contact Jami (x4226 or jami.s@theheightscommunity.org).

Juicy Fruit sermon series starts next Sunday, February 12. This series will unpack the list of the fruit of the Holy Spirit found in Galatians 5:22-23. Our faith in God is not just an internal matter of the heart and mind. Faith is also meant to be lived out in real life. The fruit of the Spirit are the visible examples of our faith. We will examine what each fruit looks like and pursue practical ways that we cooperate with God in His desire to grow these traits in us. In a world that is often turned off to spiritual rhetoric, the "juicy" fruit of the Holy Spirit can provide a flavor not always found in our day. *Invite cards are available at Guest Services.*
